UNCLE HENRY ON THE PASSING OF THE HORSE.
Every little while they tell us that the horse has
got to go;
First the trolley was invented 'cause the horses
went too slow,
And they told us that we'd better not keep raisin'
colts no more;
When the first cars got to moting that the horses
pulled before
I thought it was all over for old Fan and Doll and
Kitt
S'posed the horse was up and done for,
But he
ain't
went
yit.
When the bicyc craze first got started people told
us right away,
As you probably remember, that the horse had saw
his day;
People put away their buggies and went kitin'
round on wheels;
There were lots and lots of horses didn't even earn
their spurs.
I used to stand and watch 'em with their bloom-
ers as they'd fit,
And I thought the horse was goin',
But he
ain't
went
yit.
Then they got the horseless carriage, and they said
the horse was done,
And the story's been repeated twenty times by
Edison;
Every time he gets another of his batteries to go
He comes whoopin' out to tell us that the horse
don't stand a show.
And you'd think to see these chauffeurs, as they
go a-chauffin', it
Was good-by to Mr. Dobbin,
But he
ain't
went
yit.
When the people git to flyin' in the air I s'pose
they'll say,
As we long have been a-sayin', that the horse has
had his day,
And I s'pose that some old feller just about like
me'll stand,
Where it's safe, and watch the horses haulin' stuff
across the land;
And he'll meebly think as I do, while the crows
above him fit,
"Oh, they say the horse is done for,
But he
ain't
went
yit!"

well and favorably known, says: "Two years ago
I suffered greatly from indigestion. After eating

If you ever took De Witt's Little Early Risers for
biliousness or constipation you know what a pur-
gative pleasure is. These famous little pills
cleanse the liver and rid the system of all bile
without producing unpleasant effects. They do
not gripe, sicken or weaken, but give tone and
strength to the tissues and organs involved. W.
H. Howell of Houston, Tex., says: "No better pill

D. HECHINGER & CO With the Advent of Cooler Weather

You naturally begin to think about a fall suit, also a garment that is almost
indispensable in our climate, viz., a Cravenette or Medium-weight Overcoat.
The youngsters starting to school will want a new suit. We are better pre-
pared than ever to meet your wants. Useless to speak of qualities. The
"Best" is the only kind you buy of us. After qualities the next thing you
are interested in is the price. Quoting prices in the papers affords little satis-
faction to the intelligent buyer. You want to see the goods, "then the price."
Our stock of

**CLOTHING FOR MEN, BOYS
and CHILDREN**

Is so enormous that you would do yourself injustice did you not look us over
before you buy your fall clothing.

Our Hanan and Douglas fall and winter lines are ready for your inspec-
tion. They are doubtless the greatest lines of Shoes ever shown in Maysville.
By the way, the bell will soon ring on your straw hat. Our entire line
of Stetson's Fall Hats is in; many of them exclusive styles confined to us.
Take a glance at them.

To keep our tailors employed until the busy season begins we will make
a limited number of Custom Suits during this month for \$25 Cash. Not a
suit worth less than \$35; some of them sell at \$40. See the patterns in our
East window. You know how we fit and make them.

The Best Dollar Skirts... Women Can Buy

While we are certain of the merit of our Muslin Underskirts
at any price we are especially proud of the dollar line. We long
ago discovered one dollar is a popular price with women buying
muslin skirts and we started out to find the best skirt at the price
it is possible to obtain in any way. The result is a line of \$1 skirts
made of carefully selected cambric, intelligently cut and carefully
put together. Five styles, each with a deep lawn ruffle differently
trimmed.

- No. 1—Four hemstitched tucks on broad ruffle.
- No. 2—Deep hemstitched hem surmounted by ten tiny tucks
broadly spaced.
- No. 3—Cluny insertion and 3-in. edge to match on deep ruffle.
- No. 4—Three clusters of narrow tucks and 4-in. Hamburg
edge on ruffle.
- No. 5—Torchon insertion and edge and narrow cluster tucks.

Dollar Nightgowns.

Our Dollar Nightgowns have been selling right along as rap-
idly as though they were bargain offerings and it is not at all strange
they should, for while they were planned and made to sell for \$1,
they were also planned and made to equal in every respect gowns
selling in the market at \$1.25. And go where you will you cannot
match these \$1 gowns for less than \$1.25 and that means a bargain
of the most thorough going character. The gowns are made of
carefully selected muslin and have the style and attractiveness of
much higher priced garments. They appeal to tasteful women.
Ten styles, muslin and Nainsook trimmed with Swiss and Nainsook
embroidery, hemstitching and torchon lace. Square and round
necks and chemise effects.

There is more Catarrh in this section of the
country than all other diseases put together, and
until the last few years was supposed to be incur-
able. For a great many years doctors pronounced
it a local disease, and prescribed local remedies,
and by constantly failing to cure with local treat-
ment, pronounced it incurable. Science has proven
Catarrh to be a constitutional disease, and there-
fore requires constitutional treatment. Hall's Ca-
tarrh Cure, manufactured by F. J. Cheney & Co.,
Toledo, Ohio, is the only constitutional cure on the
market. It is taken internally in doses from ten
drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system. They
offer one hundred dollars for any case it fails to
cure. Send for circulars and testimonials. Ad-

For ages Turkey has been the European bulldozer; but the recent "flurry" of Uncle Sam's Yankee ships and Yankee gunners has inspired some of the European Powers to land forces of marines in the capital city of the Sultan. What if Uncle Sam should capture Constantinople and make a Postoffice out of the Pasha's Palace?

From the viewpoint of common sense, not to say common decency and in the cause of justice, it looks like a man on trial for his life ought to be allowed to disprove every allegation that he can, provided, especially, that his witness is a person worthy of credence. But, in the hounding of CALEB POWERS, the reverse seems to have been the rule; and not content with hampering his witnesses during the trial, his persecutors are misrepresenting facts through certain newspapers. This latter course has called forth the following letter from Mr. POWERS and the reply of Hon. ROBERT C. KINKEAD of Louisville—

LOUISVILLE, KY., September 3d, 1903.
To the Editor of The Herald: I am this morning in receipt of the following letter from Mr. CALEB POWERS:

Robert C. Kinkead, Esq., Louisville, Ky.—My Dear Sir: I wish you would correct the statement that is going the rounds of the press to the effect that the affidavit made by HENRY E. YOUTSEY in my interest was used with the Republican Judges of the Court of Appeals for the purpose of securing me a new trial. You know that you had that affidavit in your possession continuously from the time it was executed until my recent trial. I would have denied on the witness stand the absurd story of YOUTSEY in this regard, but Judge J. B. MORROW, my lawyer, told me that YOUTSEY's story in that respect was too ridiculous to comment upon; that no persons with any sense or sense of propriety would believe for one moment that the Judges of the Court of Appeals could be approached on any such subject, or that anybody with any sense would try to approach them in such way. As you well know, the affidavit was used for no such purpose, and was never intended to be used for any such purpose. It seems to me that my persecutors ought to be satisfied with my life without trying to drag down the integrity of our highest Court in the common ruin. Please correct the report for me. I am yours truly, CALEB POWERS.

In compliance with Mr. POWERS's request that I correct the false statement alluded to therein, I make this statement and ask you to publish Mr. POWERS's letter in connection with it.

I want unequivocally to say that never for one instant was that affidavit out of my possession from the date it was executed, January 29th, 1901, until I delivered it in person to Judge SIMS at the Galt House in Louisville on July 30th, 1903,—more than two years later—in order that it might be used on the recent trial of Mr. POWERS. Not one of POWERS's Attorneys knew that YOUTSEY had any intention of executing such an affidavit until five days before its execution, when I was sent for to go to the Jefferson County Jail in Louisville to see Mr. YOUTSEY. I went there, and he told me with apparent frankness and with evident pleasure that he wanted to make such an affidavit, stating, as I have testified on the witness stand, that if he was tried again he would be hung, and for that reason he would withdraw his appeal and go to the Penitentiary, taking his chances for the future, and remarked that before he went, knowing that POWERS and HOWARD were innocent, he wished to give an affidavit to that effect; that he did not want to see innocent men suffer unjustly.

I imposed three conditions upon him before I would consent to prepare the affidavit. One of these conditions was that the affidavit when made must be absolutely truthful, stating to him that there had been in the preceding trial of Mr. POWERS so much perjured testimony for the prosecution that I was unwilling to have anything to do with anyone in connection with Mr. POWERS's case except I was satisfied as to the perfect truthfulness of any statement he might make.

The second condition was that the execution of the affidavit, if made, must be entirely voluntary on his part. And, third, that I would not make his affidavit until I had conferred with his counsel, told them all that had occurred and obtained their approval of the affidavit that I should prepare.

He told me that he wanted to make nothing but a truthful statement in his affidavit; that it was entirely voluntary on his part, and that when I should prepare the affidavit, which I was to do when I should leave him, I could submit it to his counsel.

MANTELL.

Mr. Robert B. Mantell, the greatest of all romantic actors, who has never been seen in this city, will come to the Opera-house Monday, September 14th. It has been said that no matter what the play might be, any production made by Robert B. Mantell is "sure to be worth seeing." The saying still holds good in the present case, for his latest success, "The Light of Other Days," is a strong semi-historical drama, sensational enough in places to delight the most clamorous of the boys, humorous enough at times to amuse the man that "likes to have a good laugh," romantic enough to please the most sentimental schoolgirl, and all throughout there is a strong heart interest and a rapidly moving story which carries the entire audience along spellbound.

Stomach Trouble.

"I have been troubled with my stomach for the past four years," says D. L. Beach of Clover Nook Farm, Greenfield, Mass. "A few days ago I was induced to buy a box of Chamberlain's Stomach and Liver Tablets. I have taken part of them and feel a great deal better." If you have any trouble with your stomach, try a box of these Tablets. You are certain to be pleased with the result. Price 25c. For sale by J. Jas. Wood & Son, Druggists.

When I returned to my office I prepared the identical affidavit which was presented at the recent trial of Mr. POWERS, and the execution of which YOUTSEY admitted. That affidavit was sent to Mr. CRAWFORD, one of YOUTSEY's Attorneys, without his ever having seen it. It was approved by CRAWFORD and Colonel NELSON and sent direct to YOUTSEY—not to me or any of Mr. POWERS's Attorneys. YOUTSEY executed that affidavit in the exact form in which I had prepared it, and just as it was sent to him by his lawyers after their approval of it, four days after its receipt by him, and immediately delivered it to me through Mr. CHAMBERS, the Notary Public who took his oath, and that affidavit was never out of my office from that day.

The sole purpose on Mr. YOUTSEY's part, as expressed to me, in making the affidavit was to show his belief in POWERS's innocence; and it was certainly never used for any purpose except to contradict him when he appeared as a witness against Mr. POWERS. R. C. KINKEAD.

Yes; reputable and influential papers outside of Kentucky are astounded at the trend of affairs in this state. Under the title, "Justice in Kentucky," The Pittsburgh (Pa.) Times has this to say—

"In the conviction and sentencing to death of CALEB POWERS the prostitution of judicial machinery to serve political purposes reached the lowest depth ever attained, not only in Kentucky, but in this country. POWERS was tried by a Democrat Judge and a Jury composed of eleven avowed Democrats and a man who is alleged to be a Republican, but who is evidently not one.

Twice before POWERS was convicted, but the verdicts were set aside by the Court of Appeals because of the gross unfairness of the trials. Now the Democrats have control of the upper Court, and they shamelessly count upon its sustaining this infamous verdict.

"In the former trials the Juries did not have the courage to send an innocent man to the gallows, and so only fixed the punishment at imprisonment for life. But now there is a great political exigency confronting the gang who stole the Governorship and other state offices, and they have hoped to strengthen themselves by a verdict which they think will remove all doubt as to the guilt of POWERS.

"BECKHAM, who holds by force and fraud the office of Governor, is a candidate before the voters this year for the position, and his necessities have demanded the sacrifice of POWERS. This is the same BECKHAM who pardoned JETT and WHITE a short time before they committed the crime for which they are now imprisoned for life. It is the same BECKHAM who has pardoned a score or more of men convicted of crimes of violence in Breathitt county. It is the same BECKHAM who, it has just been discovered, pardoned a man of 55 years convicted of attempting a felonious assault upon a little girl, although the petition presented in the man's favor only asked for his parole, and even such clemency is forbidden by law.

"All of these pardons were issued solely because the criminals were good Democrats. JETT and WHITE, about whose guilt there was no doubt at all, only got a life sentence also because they are good Democrats. And yet CALEB POWERS, the rightful Secretary of State of Kentucky, is sentenced to death upon the evidence of the man who himself committed the murder, simply and solely because he is a leading Republican and BECKHAM's political exigencies demand it.

"Surely the Courts and the people of Kentucky will not permit the foul blot upon their state which would result from the shedding of this man's blood under the form of law to satisfy merely political ends."

Political Pickings

WHAT OUGHT TO HAPPEN!

Louisville Herald.

The Hon. G. W. Welsh, Republican nominee for State Auditor, well says:

"With our vast natural resources in timber, coal, iron, oil, etc., instead of lagging in the rear we should profit by the experience of West Virginia, elect a Republican Administration in all branches and become the Pennsylvania of the South."

IS IT GOOD POLICY?

Louisville Evening Post.

The Paducah Democrat, in one of its inconsequential paragraphs, asks a question which deserves an answer: "Is it good policy to object to any man wanting to vote the Democratic ticket if he wants to vote it?"

It certainly is good policy to object to anybody voting the Democratic ticket this year. If half be true which has been charged against the Democratic party by the Breckinridges, Watterson, Beckham, Hendrick and Black, not to mention the other candidates, then every man who loves his state ought to unite with The Evening Post in raising all kinds of objections to men voting the Democratic ticket.

Kentucky must be redeemed. The Democratic party must be rescued from the army of grafters, and to accomplish both purposes at once we must vote for "Belknap and Business" and secure such a majority that it cannot by force or fraud be set aside.

EASILY DECIDED.

This Question Should Be Answered Easily By Maysville People.

Which is wiser, to have confidence in the opinions of your fellow citizens of people you know, or depend on statements made by utter strangers residing in far-away places. Read the following: Mr. George N. Crawford, blacksmith and wheelwright, corner of East Second and Lee streets, says:

"The great benefit which speedily follows the use of Doan's Kidney Pills seems little short of miraculous. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and by the time I had used one box I was cured. If any one suffers from kidney trouble while such an effective kidney cure as Doan's Kidney Pills can be had the fault is their own."

Mrs. James Wells continues quite ill with fever at her home on the Germantown pike.

Hon. Mordecai Williams was shot by a burglar at his home at Normal at an early hour yesterday morning, but is not thought to be seriously wounded. He was aroused from his sleep by the opening of his bedroom door, where a man stood with revolver in hand. Colonel Williams went after the burglar with a saber, the latter shooting as he was about to leave the house.

River
News

The Lizzie Bay will be up tonight for Pomeroy.

The Henry M. Stanley from Pomeroy will pass down tonight.

Some of the towboats on their way to Pittsburgh will be compelled to tie up on account of the falling river.

The marks at Davis Island Dam yesterday showed 3.8 feet and river stationery. Notwithstanding the wickets at the Dam have been put up the Pittsburgh harbor pool is not full. The needles will be put in the dam and the water in the Monongahela and Allegheny rivers husbanded as much as possible, so that the commerce of these two rivers can be maintained. The Ohio has fallen to such a low ebb that it will be almost impossible for a steamer of any kind to pass below the Dam. No coal is being taken into the harbor, as the repairs to Lock No. 2 have not been completed.

His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy.
"H. L. Dyer, a well known cooper of this town, says he believes Chamberlain's Colic, Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says H. L. Dyer, merchant, Hancock, Md. For sale by J. Jas. Wood & Son, Druggists.

George Krietz of Washington shipped 60 fat hogs to Cincinnati today.

A telegram yesterday to Mrs. Emile Martin, who has been visiting the family of Mr. A. J. Styles at Shannon, announced the critical illness of her son, Mr. George H. Martin, at St. Louis, and Mrs. Martin left this morning for that place.

A Remarkable Record.
Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by J. Jas. Wood & Son, Druggists.
